LIONS CLUB "COME AS YOU ARE" BAIL TO BE HELD FRIDAY, MAY 2

Due to conflict of dates brought on by illness and other factors, the Lions Club will hold their annual dance, a "Come As You Are Bail" at the Top Hat Pavilion, Friday, May 4, with Lord's Orchestra providing the music.

A good time for all is being planned with door prizes, special favors, etc., to fill a complete evening of fun for young and old.

Specialties under the capable direction of Roland Gilman, Gene Van and Stanley Gallant will help to entertain you.

An advance sale of tickets in charge of Syl LeClair and Arnie Brown is being held and even though you may not be able to attend the dance your support of a worthy cause will be appreciated. Appropriate decorations by Guy Smith and Henry Hastings will help make this dance a gala affair.

Refreshments for your convenience will be handled by Norvin Humphrey and Kimball Ames. Tables so that you may sit and watch, if you wish, will be available also.

Tickets and reserved tables will be on sale at the Bethel Spa.

Everyone will be welcome. May 4 at the Top Hat, come dressed as you wish to have an enjoyable evening.

Two films on "Cancer Control" were then shown. The next meeting will be April 25 at Garland Chapel. The members were reminded of an invitation to attend the P. T. A. meeting on April 17 at the Community Room.

GOULD ACADEMY SENIOR PLAY READY FOR PRODUCTION, APRIL 20

Because of the orders of the medical authorities banning public gatherings in Bethel, the Gould Academy senior play, "Ever Since Eve," has had to be postponed one week from Friday, April 13, to Friday, April 20. Tickets will, of course, be honored on that date.

This fast-moving comedy of youth centers around the efforts of Johnny Clover, newly elected editor of his school paper, to keep women off the editorial board, scornful such feminine help with all the cynicism of male adolescence.

How his girl friend outwits him while seeming to play along with his tantrums furnish plenty of fun, as the bawdy system to obtain money for a super-colossal Christmas edition in three colors brings in all sorts of weird objects.

Susan mixes news items with ads with hilarious results when she proof-reads the paper, and the devastating effects of a Southern head-on the high school kids, all add up to three acts of good fun.

Several Bethel seniors have prominent parts in the production, including Nancy Van, Peggy Champlain, Bob Tiff, Leslie Coolidge, with Dick Douglas putting in a brief but effective appearance as one of the Southern belle's enthusiastic admirers. Ted Chisholm is business manager. The production is being directed by Mr. Thompson.

MINERAL AND GEM ASSN. HOLDS MEETING APRIL 9

The Oxford County Mineral and Gem Association met at the home of Dana Putnam at Rumford Corner on Monday, April 9.

After the business meeting, Dorothy Putnam gave a talk on petroglyphs, with exhibits from the Putnam's collection to illustrate.

The yearbooks have been completed and were distributed to those members who were present.

A field trip to Mt. Mi is planned for Sunday, May 6, the members to meet at the mine about 10 a. m.

The next meeting is to be held at the home of Ruth Foster, Rumford Center, on Monday, May 7.

Mr. and Mrs. Donald MacFinnon and daughter, Jan, of Orono have returned home after visiting Mr. and Mrs. Henry Hastings.

After being held up by two days of rain the Boy Scouts were able to complete their waste paper collection last Saturday. In doing so, the boys called and a few roads were not passable. The boys wish to thank those who gave toward the drive, but more especially Freedom Clark, Dick Davis, Dick Young, Mush McMillin, Hanover Town Co., Peanut Gallans, and the Greigs for use of their trucks, and Hanover Town Co. for storage space. The boys will be around again next spring to save your waste paper and magazines for the Boy Scouts. Thanks again.

Films are available without charge to anyone wanting to use them—they are approximately 20 minutes long. The Guild of the Congregational Church ran two of these films at their meeting Wednesday evening.

RED CROSS DRIVE EXTENDED

Not in many years has the good town of Bethel failed to raise its local Red Cross quota. But this March we raised only \$104, which is \$56 short of our quota. Last year we raised \$1004—so our collectors evidently worked harder this year to the extent of \$100, and cannot be criticized for the shortage. In fact they are to be greatly commended for their efforts and we are truly grateful to them and to all our contributors.

However it is not too late. Further contributions by any who were missed or who wish to increase their donation may be made to Mrs. Frances Morrill at the Bethel Savings Bank or to any of the solicitors as follows: Alice Ballard, Elmer Bennett, Mrs. Cleve Bartlett, Mrs. Ethel Blaine, Norris Brown, Arnold Brown, Stanley Brown, Mrs. Dana Douglass Jr., Mrs. Gertrude Fosssett, Mrs. Celia Gorman, Mrs. Robert Hastings, John P. Howe, Mrs. Edward Holder, Mrs. Gertrude Hutchins, Mrs. Norma Humphrey, Mrs. Virginia Kenyon, Mrs. Charles Merrill, Mrs. T. T. Murphy, Mrs. Ruth Nelson, Mrs. Mary H. E. Karl, Mrs. George Taylor, Mrs. Betty Thurston, Earl Williamson, and Kimball Ames.

DAUGHTER OF LOCAL WOMAN INJURED IN FALL FROM CAR

Bonnie Carey, four year old daughter of Mrs. Richard Tibbets of the Middle Intervale road, and Ivan Carey of Milford, was critically injured Sunday when she fell from the rear door of her father's moving car near Farmington. The girl suffered a fractured skull, when she accidentally pushed the door handle, lost her balance and fell when the door flew open.

Having visited her mother two weeks in Bethel she was returning home with her father and brother.

AMERICAN LEGION AUXILIARY

The American Legion Auxiliary held a regular meeting at the Legion Home, Tuesday evening. It was voted to give donations to the Cancer Campaign, and to the Girl Scouts.

Plans were made for the supper to be served Wednesday evening April 18. This unit, with Jackson Silver Unit as co-hosts, will entertain the Second District Convention on Thursday, April 21, at 8 p.m.

It was announced the district convention meeting would be at Fryeburg, April 17.

The Lights-On campaign will be from 7 to 8 o'clock on Thursday evening, April 19, and everyone is urged to put their light on for even the smallest contribution. The major part of the money remains for local help. It takes between \$10 and \$20 each month for dressings for the average cancer patient. Less than 2% is spent on administering the American Cancer Society.

B2 is on his way.

Scarlet Fever Threat Closes Bethel Schools

Bethel town schools and Bethel Theatre were closed Sunday because of a threatened epidemic of scarlet fever. This action followed many cases of German measles and doubtful diseases and finally two illnesses known to be scarlet fever. These victims, who are making good recovery, were Francis Noyes, local Central Maine Power Company representative, and Sandra Myers, a grammar school student.

Good Academy has not been closed, and it is expected that the theatre and schools will reopen next week. During this week apparently most of the school children have remained at home, so the spread of the disease may be halted. Adult social events in general have continued as usual.

Parking Regulations Generally Observed Despite Slight Effort in Information or Enforcement

Parking regulations of the Bethel Village Corporation as adopted in 1944 received a slight boost of moral support in the action taken at the annual Corporation meeting last month. Voters attending the meeting favored marking the angle parking sections of Main Street and money was appropriated for the purpose. Presumably such marking will be done this year.

Several of our well known citizens persist in parking at their convenience, naturally without fear of arrest, while the average motorist conscientiously seeks to abide by the law as he understands it.

So far as safety on the village streets is concerned, a major hazard at present is presented by careless bicyclists, who seem quite likely to ride on the left side of the street or on sidewalks. Both of these practices are unsafe and invite trouble with motor vehicles and pedestrians. Education of young cyclists may be a home problem now, before they become career motorists of a few years hence.

At the suggestion of interested authorities some of the principal provisions of the traffic rules are again printed here.

ALL NIGHT PARKING PROHIBITED. No person shall park a vehicle on any street for a period of time longer than 30 minutes between the hours of 1 a. m. and 5 a. m. of any day except on bona fide emergency calls.

MUST PARK CLOSE TO CURB. No person shall stand or park a vehicle in any street or way other than parallel with the edge of the street or way, headed in the direction of traffic and with the curb-side of

the vehicle within 12 inches of the edge of the roadway or curb, except as follows: (a) Upon those streets which are by direction of the Assessors marked or signed for angle parking, vehicles shall be parked at the angle to the curb and in the position indicated by such marks or signs. (b) When snow or ice actually prevents such parking and then must park as close to curb as possible.

STOPPING, STANDING OR PARKING PROHIBITED IN SPECIFIED AREAS. No person shall stop, stand or park a vehicle, except when necessary to avoid conflict with other traffic or in compliance with the direction of a police officer, in any of the following places:

1. On a sidewalk;

2. In front of a public or private driveway;

3. Within an intersection;

4. Within 15 feet of a fire hydrant;

5. On a cross-walk;

6. Within 25 feet of the near corner of the curb or edge of roadway at an intersection;

7. Within 10 feet of any public or private driveway;

8. Within 25 feet of the driveway entrance to any fire-station and on the side of the street opposite the entrance to any fire-station within 75 feet of such entrance;

9. Alongside or opposite any street excavation or obstruction when such stopping, standing or parking would obstruct traffic;

10. On the roadway side of any vehicle stopped or parked at the

FARM AND HOME WEEK

PRONOUNCED SUCCESS

Maine's 44th annual Farm and Home Week at Orono last week drew the third largest registration in history. Some 4,225 men and women registered. This was a short of the all-time Farm and Home Week registration record of 4,770 set in 1929.

Attendance in several sections of Maine, and muddy traveling was the factors which kept registration from reaching a new record. Officials believe attendance was high and valuable information on farming and homemaking and work affairs was gathered from 272 speakers on 31 special programs and other scheduled affairs. From Monday afternoon when the crowd began gathering on the University of Maine campus until Thursday evening's annual Farm and Home Week banquet and dance, something was doing every minute. Hundreds of Maine farmers' homemakers, rural residents, and town and city dwellers already have decided to attend Farm and Home Week next spring. They wouldn't miss it come frost and high water.
